The International Conference on Modeling and Simulation in Engineering, Economics and Management (MS'17 Valencia) is co-organized by the Association for Modeling and Simulation in Enterprises (AMSE) and the Department of Business Organization at the Polytechnic University of Valencia, Valencia, Spain.

The conference will provide a forum for researchers, academics and students to discuss research ideas and present the recent advances in modeling and simulation and related topics.

### PAPER SUBMISSION

Researchers and students are invited to submit papers up to 10 pages by 30th January, 2017 (Springer) or an abstract (or a full paper up to 15 pages) by 15th April, 2017 (CD-ROM). For more information regarding paper submission, contact the organizing committee.

### BEST PAPER AWARDS

Best paper award and best student paper award will be given at the end of the conference. To be qualified for student competition the student has to be the principal contributor of the paper and present it during the conference.

### PROCEEDINGS

All submitted papers will be peer reviewed and accepted papers will be published in a book of proceedings by Springer in its book series "Lecture Notes on Business Information Processing". The proceedings will be indexed in major databases including the Web of Science.

### SPECIAL ISSUES

Extended versions of selected papers will be published in special issues of international journals indexed in the Web of Science.
